## PRIVACY POLICY

We may hold and process personal information obtained about you when you access the Site and use it to identify opportunities and other products and services which may be relevant to you, to evaluate the effectiveness of our marketing and for statistical analysis.

We respect any personal information that you provide and undertake to comply with the laws applicable to data protection and any other Belgian data protection legislation from time to time in place.

You should be aware that if we are requested by the police or any regulatory or government authority investigating suspected illegal activities to provide information concerning your activities whilst using the Site we shall do so. In addition to the circumstances described in the above clause we will not disclose personal information except under a strictly confidential basis to sub-contractors or persons acting as our agents and to any person who may assume our rights in respect of this Site.

We may also occasionally transfer your personal data to countries outside the European Union, which may not provide the same level of protection for personal data as within the EU. All personal data whether held by Artexis Group SA/NV or by its sub-contractors or agents will be afforded a high level of protection against unauthorised or accidental disclosure, access or deletion.
